Users may nominate one (1) business in each sub-category during each day of the open nomination period. Nominations in excess of 1 per day per business sub-category may not be used. VOTING FREQUENCY

Users may cast one (1) vote in each category once per day, per category, during the open voting period. If a business is competing in more than one category, then a user may vote for that same business in each category within which it competes, such as Best Food Truck and Best Taco. If the campaign has 25 categories, the user may place up to 25 votes per day in each category. Votes in excess of 1 per day, per category shall not be counted.

VOTING MECHANISMS

Votes are to be cast by individuals only with unique email addresses. Automated or multiple voting mechanisms are strictly prohibited. Any votes suspected by the producers to be fraudulent may be disqualified, in WYUU-FM sole discretion, and could affect the final standings prior to or after initial announcement. WYUU-FM reserves the right in its sole discretion to cancel or suspend this campaign in part or in its entirety, should virus, tampering, fraud, technical difficulties or other causes beyond its control corrupt the administration, security, fairness, integrity or proper administration of the campaign, or for any reason whatsoever. WYUU-FM further reserves the right to modify these rules at any time during the voting period for any reason, in its sole discretion.

Participating businesses may not attempt to obtain votes by any fraudulent or inappropriate means, including, without limitation, by: (a) circumventing (or encouraging others to circumvent) any vote limits; (b) using any automated system to vote; (c) offering any inducements to others in exchange for votes; or (d) using proxy voting schemes in which anyone other than the actual person submits the vote. WYUU-FM, in its sole discretion, reserves the right to reject any votes that they have reason to believe were obtained through fraudulent or inappropriate means.

BUSINESS CATEGORY CHANGES

WYUU-FM reserves the right to deny or change any business category if, in its sole discretion and at any time, the category does not accurately reflect the true nature of the business. Businesses may not be listed in more than (3) different categories.

COMPLAINTS & DISPUTES

In the event of a dispute, WYUU-FM shall request one (1) written statement from each complaining or refuting business. WYUU-FM shall use this communication and its website access logs to determine an outcome of a dispute, which shall be final.

LIABILITIES

Participating businesses will be civil and not launch personal attacks against other competitors or businesses, or tamper with or hack into the system.
